## CIRCULAR

Dear Parents,

**Greetings from TWGS!!!!**

We are excited to inform you about a unique opportunity for our students to participate in the "Action for Equality" AFS competition hosted by Pragnya Bodhini High School, Mumbai, from September to October 2024.

The theme of this competition, "Man and woman represent the two halves of the divine body. There is no question of superiority or inferiority between them," aims to address gender disparities that persist despite the equality granted by the Indian Constitution. The event encourages students to elicit the voices of people as they explore the question:

**"What Do You Do To Eliminate Discrimination Against the Opposite Gender?"**

If this topic resonates with your child and they are excited to gather and present diverse perspectives, they are welcome to be a part of this competition. Below are the details:

### **PHASE 1: Introductory Session**

- **Date & Time:** September 6th, 5:00 PM
- **Mode:** Virtual via Zoom
- **Details:** An open Zoom call for any interested school. This session will answer *what*, *why*, and *how* regarding the competition.

We encourage all our students to participate and voice their thoughts on this vital issue!

Regards
