## CIRCULAR

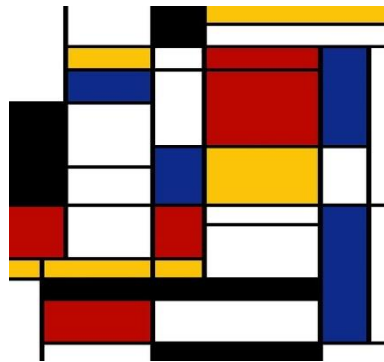

Dear Parents,

Greetings from TWGS!!!!

We are thrilled to announce an exciting Bookmark Making Competition for our students of Grades IV and V on Saturday, 17th August 2024, after the lunch break.

For this creative activity, students will craft their own bookmarks, following specific guidelines to bring out their artistic flair:

**Abstract Base Design:** Students will design a base for their bookmark featuring an abstract pattern. They can draw inspiration from the iconic works of Piet Mondrian, known for his unique abstract art.

- **Grade IV:** Students will enhance the abstract base by adding intricate designs like Mandala, Warli, or Gond patterns to create a striking contrast.

### Mandala Art-

### Warli Art-

## Gond Pattern-

- **Grade V:** Students will complete their abstract base with an inspirational quote or thought, adding a personal touch to their creations.

This competition offers a fantastic opportunity for students to explore creativity and learn about various art styles. We eagerly await the incredible bookmarks our young artists will create!
