CIRCULAR

Dear Parents,

Greetings from TWGS!!!!

We are thrilled to inform you about an exciting new exam policy at The Wisdom Global School, designed to encourage our students to excel not only in their understanding of the material but also in how they present their knowledge. Starting from the upcoming Cycle Test and Mid-Term Examination, teachers will be awarding bonus marks based on the following criteria:

Bonus Marks Breakdown:

1. Bonus for Detailed Answers:

Students will receive 0.25 to 0.5 bonus marks for every well-answered question that demonstrates a deeper understanding of the subject. This means if two students write correct answers, both will receive full marks for the correct answer, but the one who goes beyond basic knowledge to showcase greater insight will be rewarded with bonus marks. This initiative is designed to motivate students to think critically and deepen their comprehension, preparing them to stand out in future academic and professional environments.

2. +5 Marks for Neat and Clean Handwriting:

An additional +5 marks will be awarded for neat and clean handwriting throughout the exam paper. This bonus aims to prepare students for board examinations, where clarity and presentation can significantly impact their scores. Developing neat handwriting is not just about exams—it's a valuable skill that reflects attention to detail, which can be crucial during interviews and in professional settings. By encouraging students to maintain tidy and legible writing, we are helping them build a lifelong skill that will serve them well in their academic and career pursuits.

This initiative is designed to inspire our students to strive for excellence in both content and presentation, fostering a well-rounded approach to their studies. We believe this will not only enhance their academic performance but also equip them with essential skills for the future.

Regards

Principal
