CIRCULAR

Dear Parents,

Greetings from TWGS !!!

We are thrilled to announce that on **Saturday, July 6, 2024**, we will be hosting a fun and educational **Fireless Cooking Competition** for our **Grade 1 and 2 students**. This event is a fantastic opportunity for the children to showcase their culinary creativity by preparing delicious dishes without the use of fire.

Please note the following important details:

Safety First: Students should not bring any items that could harm them or are potentially injurious. Kindly understand the term "fireless" and ensure the items your child brings are safe and appropriate for the competition.

Presentation:

All students must be able to tell the name of the dish they have prepared during their presentation. Grade 1 and 2 students should also be prepared to name the ingredients used in their dish. Additionally, Grade 2 students should know and be able to explain the nutrients present in their prepared dish.

We look forward to seeing the creativity and culinary skills of our young chefs!

Regards

Principal
